

Big Day Out discussion

Do you have an interest in being part of the team that aim to run this year's **Big Day Out**?

Please come to this first discussion, to talk about venues, themes, what exactly we'd like to put on (because we could try something completely different from previous years), etc. The Big Day Out itself will be on the 23rd of July 2020.

When and Where?

This first session will be held on the 28th of Feb 2020 in Meyler House SA61 1QP at 10:30.

Light refreshments will be provided and travel for ateb customers can be reimbursed.

You are very welcome to just turn up but, if you'd like help to attend this session, or if you'd like any further information, please contact:
