ateb to help you...**

---

# CUSTOMER GROUPS 2025

**Are you interested in starting a customer's group in your area?**

You could be holding events such as fun days for the kids, organising trips for all the family or even creating a fund-raising event. Or perhaps you'd like to brighten up your community or immediate area? Your group could have lots of help & support from ateb. It doesn't have to be just ateb customers in your group either - you can share the workload with all your neighbours in your community.

You would need (& remember, ateb can help you with all of these):

- **3 voted-in people who are prepared to take responsibility for the money & some of the organisation of the group**
- **A group bank account**
- **The ability to keep basic records of any meetings and/or activities/trips/events etc that you'll have, in order to claim the funds**
- **The intention to advertise & hold meetings and events open to everyone in your immediate community/street**
- **To keep in touch with ateb to secure your annual funds**

---

**For more info & links to these events, please contact  
Ailnor Evans 01437 774766/ 07500 446611
